**To the Glenwood Parent Community, Our dedicated
instructors and outstanding administration and
especially Mark Piersante and Nicolle Dougherty
and to the entire 2009 Glenwood Auction Team.**

On behalf of the Glenwood School Foundation and, most importantly, our kids, I want to congratulate you and your team for once again delivering the 'Event of the Year' for Glenwood, a party to remember! Once again this year we are especially amazed at the tremendous fundraising efforts you pulled off in this time of economic challenge and uncertainty -- a truly amazing effort!

As we all know, providing a solid educational foundation at the elementary school level is key to ensuring that the next generation of citizens and leaders are prepared and ready to take the torch we pass on and move our community forward. The GSF takes this responsibility very seriously. The only way for us to provide this solid foundation to our children is to supplement and enrich the State's curriculums through our fundraising efforts. Thanks to Mark and Nicolle and their Auction team's efforts and with the outstanding support of our parent community we know we can continue to provide these enrichment programs for our children next year!

We are all very well aware of the sacrifices that the both of you and every member of your 2009 Auction Committee had to make in order to coordinate and deliver this incredible event with such wonderful results! And I know I speak for the entire Glenwood community, especially our kids, in thanking you both and your entire team for all you have done.

Again, on behalf of the GSF, thank you both and to the entire 2009 Glenwood Auction Team, thank you for a job extremely well done.

Donald L. Blayney

Glenwood School Foundation - Chairman 06/09

A final word from this Chairman:

Serving on the Glenwood School Foundation and being part of the Glenwood parent community for the past 9 years has truly been a pleasure. I have had the opportunity to work with a number of truly dedicated parents, our extremely talented instructors and our outstanding administrators. I want to personally thank all of you, and all of the past and present members of the GSF for their time and efforts in making Glenwood the school that it is today. I feel very fortunate and blessed to have had the opportunity for my two sons to attend Glenwood and for my family to participate in the Glenwood School Community.

As I now depart from Glenwood I leave the GSF in extremely good hands, with Kim Bauer taking the helm as Chairman and Eric Schnurpfeil as President, Kim and Eric, as well as all the members of the Foundation are already focusing towards next year's GSF. I truly believe the GSF has never been in better hands.

As for my future endeavors, I now intend on directing my efforts towards Davidson Middle School and to participate at the District level.

Again, it has truly been a pleasure and please, always keep in mind:

"It's for the kids".

Sincerely, and with all my best,
Don Blayney
