

Parking Lot Etiquette

For the safety of our students we request that "Parking Lot Etiquette" be observed at all times

- Park in designated parking spaces only.
- Do NOT block cars in.
- Do not stop vehicles in the middle of the parking lot for any reason.
- Do not leave car unattended in undesignated parking areas.
- Watch for students and parents who are crossing the parking lot – they have the "right of way".
- When driving around the 'circle' in front of the school waiting for your student, do not stop to wait for children in the driving area. This creates a traffic back-up.
- Children are to exit or enter cars on the curbside of the car only.
- Heed the Safety Patrol monitors at the crosswalks – they are there to assist children and parents crossing from the parking lot to the school.
- Do not talk on your cell phone during drop-off and pick-up!
- When dropping students off or picking students up, pull up to the curb.
- Do not park in the cross walk.
